Browser Extensions

Supported Browsers

- Google Chrome (Chrome Web Store)
- Mozilla Firefox (Firefox Add-ons)

Extension Features

- **Embedded sidebar** that overlays directly on YouTube video pages
- Summarize videos while watching without leaving YouTube
- Access to all features available in your subscription tier
- Ads display based on subscription tier (Free sees ads, Pro sees some ads, Premium+ sees no ads)

Extension Limitations

- Desktop browsers only
- Chrome and Firefox extensions (work on all compatible browsers)

Key Features Deep Dive

1. AI Summarization

How It Works:

- User pastes YouTube video URL or uses extension while watching
- AI processes video (uses existing captions OR transcribes audio depending on tier)
- Summary generated in user's chosen language
- Output formatted according to selected template

Template Types Explained:

FREE TIER:

- **General Summary:** Concise overview of main topics and key points

PRO TIER:

- **Extract Quotes:** Pulls notable quotes and impactful statements from video
- **How To Steps:** Breaks down instructional content into step-by-step format
- **Facts and Statistics:** Extracts data points, numbers, and factual claims
- **Arguments and Positions:** Identifies main arguments and viewpoints presented
- **QnA Extraction:** Formats content as questions and answers

**PREMIUM TIER:**

- **Action Items:** Lists actionable takeaways and things to do
- **Key Moments:** Highlights important timestamps and moments
- **Code and Commands:** Extracts technical code snippets and command-line instructions
- **Stories and Examples:** Pulls out anecdotes, case studies, and examples
- **Chapter Breakdown:** Divides video into logical sections with summaries

ULTIMATE TIER:

- **Short-form Content:** Optimized for social media/short content creation
- **Content Repurpose:** Formatted for repurposing into other content types
- **Custom Templates:** User creates their own prompt templates with specific instructions

2. AI Chat

Capabilities:

- Ask follow-up questions about video content
- Request clarification on complex topics
- Explore specific sections in more depth
- Get explanations in simpler terms
- Multiple questions maintain conversation context for each video

Context Management:

- Chat maintains full context across multiple questions about the same video
- Each video has its own chat thread
- Users can open multiple videos in separate tabs and chat with each simultaneously
- Chat responses generated in user's selected language

Usage Limits:

- Free: Generous but limited
- Pro/Premium/Ultime: Unlimited overall usage

3. Translation

How It Works:

- User selects target language before generating summary
- Summary is generated directly in chosen language (not post-translated)
- AI chat also responds in selected language
- 10 languages on Free tier, 111 languages on Pro+

Important Notes:

- Cannot translate the same summary into multiple languages
- Must regenerate summary with video link to get different language
- Translation happens during generation, not after

4. Notion Integration (Pro+)

Export Options:

- **Automated:** Every summary automatically exports to Notion
- **Manual:** User selectively pushes chosen summaries to Notion

Export Format:

- Markdown format
- Cannot customize export template (standardized format)

Setup:

- User connects Notion workspace through OAuth
- Selects target Notion database or page
- Configures automated vs manual preference

5. Public Sharing (Pro+)

How It Works:

- Every summary automatically generates a unique shareable URL
- Format: [https://www.aividsummary.com/s/\[unique-id\]](https://www.aividsummary.com/s/[unique-id])
- Public page displays the summary without requiring login
- Non-users can view and read shared summaries

Ad Display on Shared Pages:

- Pro tier: Ads appear on public summary pages

- Premium/Ulimate: No ads on public summary pages

6. Transcription

Tier-Based Capabilities:

Tier	Videos WITH Captions	Videos WITHOUT Captions	Transcription Limit
Free	✓	X	N/A
Pro	✓	✓	X minutes/month
Premium	✓	✓	2X minutes/month (120min)
Ultimate	✓	✓	4X minutes/month (480min)

Note: Transcription limits are subject to change. Pro tier serves as baseline (X), Premium gets double (2X), Ultimate gets quadruple (4X).

Pricing & Plans

Group Discounts

Available Tiers:

- Group discounts start at 3-5 people
- Steeper discounts for 6-10 people and 11+ people

How It Works:

1. Contact support team: support@aifreedomclub.com (Subject: "Group Discount Inquiry")
2. Provide group size and plan tier needed
3. Team raises manual invoice
4. Team creates individual accounts for each group member
5. One person handles payment, all members get separate accounts

Group Management:

- Each member has separate account with full access
- Group size can be adjusted (contact support@aifreedomclub.com to add/remove users)
- Billing handled through single point of contact

Pricing Examples (from pricing images):

- 3-5 People: Save 50% + 4 free months

Referral Program

AI VidSummary offers a **tiered recurring commission referral program** that rewards users for bringing new customers to the platform. The more referrals you make, the higher your commission rate becomes.

Commission Structure

The referral program uses a progressive tier system that increases your commission rate as you reach referral milestones:

Referral Milestone	Commission Rate	Applies To
First 10 referrals (1-10)	15% recurring	All referrals 1-10
Next 20 referrals (11-30)	20% recurring	All referrals 11-30
Next 20 referrals (31-50)	30% recurring	All referrals 31-50
50+ referrals	40% recurring	All referrals 51+

Important: These are **recurring commissions**, meaning you earn commission every month that your referral remains a paying subscriber.

How It Works

1. Get Your Referral Link

- Every user (Free and Paid) gets a unique referral link in their dashboard
- Share this link with friends, social media, blog, YouTube, etc.

2. Someone Signs Up

- New user clicks your referral link and creates an account
- They must upgrade to a paid plan (Pro, Premium, or Ultimate)
- Cookie tracking ensures you get credit for the referral

3. Earn Recurring Commission

- You earn commission based on your current tier level
- Commission paid monthly as long as referral remains subscribed
- Payments processed via your chosen payment method

4. Progress Through Tiers

- As you reach 10, 30, and 50 referrals, your commission rate automatically increases
- New rate applies to future referrals AND retroactively to all existing referrals
- Track your progress in the referral dashboard

Commission Examples

Example 1: Starting Out (0-10 referrals)

- You refer 5 friends who each subscribe to Pro (\$12/month)
- Your commission: $5 \times \$12 \times 15\% = \$9/\text{month}$ recurring
- As long as they stay subscribed, you earn \$9/month

Example 2: Growing Referrer (30 total referrals)

- You've now reached 30 total referrals at 20% tier
- All 30 referrals now earn you 20% (not just referrals 11-30)
- If all are Pro subscribers: $30 \times \$12 \times 20\% = \$72/\text{month}$ recurring

Example 3: Power Affiliate (55 total referrals)

- You've crossed 50 referrals and now earn 40% on everything
- Mix of plans: 30 Pro (\$12), 20 Premium (\$19), 5 Ultimate (\$39)
- Monthly recurring: $(30 \times \$12 \times 40\%) + (20 \times \$19 \times 40\%) + (5 \times \$39 \times 40\%) = \$144 + \$152 + \$78 = \$374/\text{month}$

Tier Progression Benefits

Key Advantage: Retroactive Rate Increases

- When you hit a new tier, your commission rate increases for ALL existing referrals
- Example: You have 25 referrals earning 20%, then get 25 more
- Once you hit 50 referrals, ALL 50 now earn you 30% (not just the new ones)
- At 51+ referrals, ALL referrals earn 40%

This means your early referrals become more valuable over time!

Eligible Plans for Referrals

Commissions Apply To:

- Pro Plan: \$12/month or \$120/year
- Premium Plan: \$19/month or \$190/year
- Ultimate Plan: \$39/month or \$390/year
- Student Discounted Plans (commission based on discounted price)
- Group Discount Plans (commission based on per-seat price)

No Commission On:

- Free tier signups (must upgrade to paid)
- Your own subscription upgrades

Annual Subscriptions

How Annual Plan Commissions Work:

- If referral chooses annual plan, you receive 12 months of commission upfront
- Example: Referral buys Pro Annual (\$120), you're at 20% tier
- You receive: $\$120 \times 20\% = \24 immediately

- If they renew next year, you get another \$24

Payment & Tracking

Referral Dashboard Features:

- Real-time tracking of clicks, signups, and conversions
- See which tier you're currently in (15%, 20%, 30%, or 40%)
- Track referrals remaining until next tier
- View monthly recurring revenue (MRR)
- See lifetime earnings
- Monitor active vs churned referrals

Payment Options:

- PayPal
- Bank transfer (for earnings above threshold)
- Credit to your AI VidSummary account
- Minimum payout threshold: \$50

Payment Schedule:

- Earnings calculated at end of each month
- Payments processed within 15 days
- 30-day cookie duration for attribution
- 90-day holding period for new referrals (fraud protection)

Support for Referral Program:

- Email: support@aifreedomclub.com
- Subject: "Referral Program Inquiry"
- Response time: Within 24-48 hours

Referral Program Rules

Allowed:

- Share on social media (Twitter, LinkedIn, Facebook, Instagram)
- Create YouTube reviews/tutorials with referral link

- Write blog posts or articles featuring AI VidSummary
- Email to your personal network
- Include in newsletters or communities you manage
- Create comparison content with competitor tools

Not Allowed:

- Spam or unsolicited mass emails
- Paid search ads bidding on "AI VidSummary" branded terms
- Coupon/deal sites claiming exclusive discounts
- Misleading claims about the product
- Self-referrals or fake accounts
- Incentivizing signups with cash kickbacks to users

Violation Consequences:

- First violation: Warning and commission hold
- Second violation: Removal from referral program
- Serious violations: Account termination and forfeiture of unpaid commissions

Strategic Tips for Maximizing Referrals

1. Target the Right Audience:

- Students and researchers (highlight student discount)
- Content creators and YouTubers
- Language learners (emphasize 111 languages)
- Notion users (promote integration)
- Professionals who watch educational content

2. Content Ideas:

- "How I use AI VidSummary to learn faster"
- "AI VidSummary vs [Competitor] comparison"
- Tutorial videos showing specific use cases
- Twitter threads with real examples
- Case study blog posts

3. Optimize Your Approach:

- Use custom tracking parameters to test different channels
- Create dedicated landing page explaining benefits
- Offer free templates or guides with referral CTA
- Share your own AI VidSummary summaries with attribution
- Build email list before promoting

4. Leverage Social Proof:

- Share your own success stories using the tool
- Screenshot interesting summaries you've created
- Highlight time savings or learning outcomes
- Create before/after content

Referral Program Tiers Visualized

Tier 1: 0-10 referrals	→ 15% commission
Tier 2: 11-30 referrals	→ 20% commission
Tier 3: 31-50 referrals	→ 30% commission
Tier 4: 51+ referrals	→ 40% commission

-  All rates are RECURRING commissions
-  Rate increases apply RETROACTIVELY
-  Earn as long as referrals stay subscribed

Potential Monthly Earnings

Conservative Scenario (50 referrals, all Pro plan @ \$12/mo):

- Tier 3 rate: 30%
- Monthly recurring: $50 \times \$12 \times 30\% = \$180/\text{month}$
- Annual recurring: \$2,160/year

**Moderate Scenario (100 referrals, mix of plans):**

- Tier 4 rate: 40%
- 60 Pro (\$12), 30 Premium (\$19), 10 Ultimate (\$39)
- Monthly: $(60 \times \$12 \times 40\%) + (30 \times \$19 \times 40\%) + (10 \times \$39 \times 40\%) = \$288 + \$228 + \$156 = \$672/\text{month}$
- Annual recurring: \$8,064/year

Ambitious Scenario (250 referrals, mix of plans):

- Tier 4 rate: 40%
- 150 Pro, 75 Premium, 25 Ultimate
- Monthly: $(150 \times \$12 \times 40\%) + (75 \times \$19 \times 40\%) + (25 \times \$39 \times 40\%) = \$720 + \$570 + \$390 = \$1,680/\text{month}$
- Annual recurring: \$20,160/year

Note: Actual earnings depend on retention rates, plan mix, and referral activity. These are potential earnings assuming active subscriptions.

Referral Program FAQ

Q: Do I need to be a paying customer to join the referral program? A: No! Even Free tier users can participate and earn commissions.

Q: What happens if a referral cancels their subscription? A: You stop earning commission for that referral. However, if they resubscribe later, commissions resume.

Q: Does my commission rate apply to past referrals when I reach a new tier? A: Yes! This is a huge benefit. When you reach Tier 2 (20%), all your Tier 1 referrals now earn 20% instead of 15%.

Q: How long do I earn commission on a referral? A: Forever, as long as they maintain an active paid subscription.

Q: What if someone uses my link but signs up later? A: Cookie lasts 30 days. If they sign up within 30 days of clicking your link, you get credit.

Q: Can I refer myself or family members? A: Self-referrals are not allowed. Family members are allowed if they are genuine users.

Q: Is there a limit to how many people I can refer? A: No limit! The more referrals, the higher your commission rate.

Q: When do I get paid? A: Monthly, with a 90-day holding period for new referrals and \$50 minimum payout threshold.

Q: What about student discount referrals? A: You earn commission on the discounted price they actually pay (e.g., 40% off means commission on \$7.20, not \$12).

Q: Can I promote on YouTube or social media? A: Absolutely! That's encouraged. Just follow the referral program rules (no spam, no misleading claims).

Fair Use Policy

All "unlimited" features are subject to fair use guidelines. The platform reserves the right to throttle or restrict access if usage exceeds reasonable limits or appears to be abusive.

Technical Questions

Q: What's included in the 12 templates? A: See "Complete Template List" section above for full breakdown by tier.

Q: How long does summarization take? A: Depends on video length and your tier. Ultimate tier users get priority processing.

Q: Can I use this on my phone? A: Web dashboard works on mobile, but browser extensions only work on desktop.

Q: Do I need to download anything? A: Optional browser extensions available, but web dashboard works without downloads.

Best Practices for Using AI VidSummary

Getting Best Results

1. Choose the appropriate template for your content type
2. Select your language before generating (can't change after)

3. Use specific questions in AI chat for better responses
4. For long videos, consider using "Chapter Breakdown" template first

Notion Integration Tips

- Use automated export for systematic knowledge building
- Use manual export when you want to curate your Notion database
- Create dedicated Notion database for AI VidSummary exports

Efficient Workflow

1. Browse YouTube and find valuable content
2. Use extension sidebar for instant summaries while watching
3. Chat with AI for deeper understanding
4. Export to Notion for long-term reference
5. Share public links with team/friends

Competitive Advantages

1. **Multi-Language Native Generation:** Unlike competitors that translate after, AI VidSummary generates summaries directly in 111 languages
2. **Template Variety:** 12+ templates vs competitors' 2-3 options
3. **Custom Templates:** Only available in Ultimate tier, unique in market
4. **Notion Integration:** Seamless knowledge management workflow
5. **Public Sharing:** Easy collaboration without requiring recipients to sign up
6. **No Video Length Limits:** Process videos of any duration
7. **Context-Aware Chat:** AI maintains full conversation context per video
8. **Generous Referral Program:** Tiered recurring commissions up to 40%, available to all users including free tier

Notes for Documentation Maintenance

What NOT to Disclose Publicly

- Exact daily/monthly limits for Free tier (subject to frequent changes)
- Specific numbers for email signup bonus (may vary)
- Share-to-unlock feature details (intentionally hidden)
- Exact transcription minute limits in specific numbers (use X, 2X, 4X multipliers)
- Specific AI model names (GPT-4, Claude 3, etc.)

Subject to Change

- Free tier limits (continuously optimized)
- Transcription limits (may adjust based on costs)
- Template names and descriptions (may refine)
- Pricing (though advance notice given to existing users)

Version History

- v1.0 - December 2, 2025 - Initial master knowledge base creation
