# AI VidSummary - Product Fact Sheet

## Product Overview

**AI VidSummary** is a web application and browser extension that uses AI to summarize YouTube videos, enabling users to extract key insights in seconds instead of watching hours of content.

## Key Features

### Core Features

Feature	Description
AI Video Summarization	Transform any YouTube video into a concise summary
12 Summary Templates	Different formats for different needs
AI Chat	Ask follow-up questions about video content
111 Languages	Native language summaries, not translations
Browser Extensions	Chrome and Firefox sidebar overlays
Notion Integration	Export summaries to Notion workspace
Public Sharing	Share summaries via auto-generated links

## Summary Templates

Template	Best For
General Summary	Quick overview of any video
Extract Quotes	Notable quotes and statements
How-To Steps	Tutorials and instructional content
Facts & Statistics	Data-heavy presentations
Arguments & Positions	Debates and opinion pieces
Q&A Extraction	Interview-style content
Action Items	Actionable takeaways
Key Moments	Timestamped highlights
Code & Commands	Technical tutorials
Stories & Examples	Case studies and narratives
Chapter Breakdown	Long-form structured content
Short-Form Content	Quick videos and clips

## Platform Availability

Platform	Status	Details
Web App	Live	Full-featured dashboard
Chrome Extension	Live	Sidebar overlay on YouTube
Firefox Extension	Live	Sidebar overlay on YouTube
Mobile App	Roadmap	Future development
