Story Angles

Product Story

AI VidSummary helps users extract key insights from YouTube videos in seconds, supporting 111 languages and offering 12 different summary formats.

Founder Story

Non-coder builds successful AI tool using "vibe coding" - proof that great products come from understanding problems, not technical backgrounds.

Education Story

Students overwhelmed by video lectures get AI study buddy that summarizes hours of content in minutes.

Global Access Story

111-language support brings video learning to billions previously excluded by English-only content.
